Spiritual Leadership

COLLEGE PHILOSOPHY

The College advocates excellent teacher education programs and services that prepare professionals who are committed to care, train, and empower lives.

ACADEMIC UNIT GOALS

1. Educate and train globally competent and service-oriented professionals imbued with virtues and principles
2. Provide quality education that emphasizes the development of relevant pedagogical, and technical knowledge, skills, competencies and values for good citizenship
3. Support and strengthen research programs that are useful to a wide range of teaching-learning practices
4. Establish sustainable linkages, networking, and partnerships with local, national and international entities
5. Provide quality service through special programs and projects geared towards self-reliance and sustainable development.
6. Demonstrate excellent leadership practices and efficient management systems in accordance with the provisions of the law governing SUCs and University Code
